eBooks and audiobooks for Kindle® Fire / Fire HD

You can use OverDrive’s mobile app to borrow and enjoy eBooks and audiobooks from your library on your Kindle Fire or Fire HD.

**Step 1**
Download the OverDrive Media Console (OMC) app from one of the following:
- Google Play
- [http://omc.overdrive.com/kindle](http://omc.overdrive.com/kindle)

**Step 2**
Open OMC and find your OverDrive library website. In newer versions of the app, you can do this by swiping from left to right to open the Home menu, then tapping Add a library. In older versions of the app, tap the icon (or, if you don’t have this icon, go to Menu > Get Books).
- Tap the star to save your library’s website to your library list.
- Tap your library’s name to start browsing.

**Step 3**
Log into your library’s OverDrive-powered website with your library card and borrow a book.

**Step 4**
Find borrowed books under your account on your library website. You can:
- Select Read to open and read OverDrive Read eBooks right in your browser. For the best reading experience, turn off Accelerate page loading.
- Select Kindle Book (U.S. only) to complete checkout on Amazon’s website and send the book to your Kindle.
- Download EPUB eBooks* and MP3 audiobooks directly to OMC.

*Note: To read eBooks in OMC, follow the prompts to authorize your device with an Adobe ID. It’s a one-time, free process that takes just moments to complete.
